

## WELLBOTS.COM RELEASES THE 2017 ANNUAL RANKING OF TOP 25 SMART PRODUCTS

New York, NY – November 13<sup>th</sup>, 2017 – Wellbots.com, the leading retailer of Internet-of-Things devices in North America, releases the **2017 annual ranking of the Top 25 Smart Products**. Wellbots.com continues to be the authority for discovering and recognizing the best players in the industry. This year’s ranking features smart tech devices such as drones, virtual-reality headsets, connected toys, home robots, and wearables.

The Wellbots.com annual ranking compiles feedback from over 200 manufacturers of smart products around the world along with surveys from over 1,000 users of smart devices. Industry insiders and smart product users vote on a range of criteria that include **product quality and design, brand awareness, innovation, financial strength, marketing, research & development**.

“Each year Wellbots.com honors the most innovative tech products found in the market. The Internet-of-Things industry continues to grow steadily with over 45 million Americans owning at least one smart home device. With the range of products available in the market consumers need help choosing the best product for their needs and that is exactly what the Wellbots.com annual ranking provides” said Philippe Berdugo, CEO of Wellbots.com.

The 2017 Wellbots.com ranking includes Home Robots, [Drones](#), Virtual-Reality Headsets, Smart Home Devices, Connected Toys, Wearables, 3D Printing, Mobility, and Wireless Speakers. The Top 3 products selected are the [DJI Mavic Pro Drone](#), Meural Digital Canvas, and Sphero BB-8 Star Wars. The complete 2017 ranking is available on <https://www.wellbots.com/2017-ranking/>
