

## PRESS RELEASE

New York  
June 12, 2017  
For Immediate Release

### WELLBOTS & ZDNET PARTNER UP (AGAIN) FOR FATHER'S DAY

Today, **Wellbots and its partner ZDNet came up with amazing product offers for Father's Day.** The online retailer works together with the leading tech blog to bring customers the best products at the best price for this special day.

This time, ZDNet and Wellbots promote the brand new ZeroTech Dobby Minidrone, the amazing Sphero BB-8 as well as the 3Doodler Create printing pen. David Gewirtz – the distinguished ZDNet contributor – shared these products with his readers. Here is the article:

<http://www.zdnet.com/article/diy-it-fathers-day-gift-guide-a-dozen-unique-geeky-and-affordable-gifts-sure-to-thrill-dad/>

The strong partnership between Wellbots and ZDNet highlights the smart product retailer's fast-growing community of technology media partners. Wellbots is currently negotiating additional partnerships with leading tech blogs with one goal at heart: providing its customers with the best of Internet-of-Things devices.

### ABOUT WELLBOTS
